How to Write a News Story

Check out the best steps to write a news story:-

Step	Description
Choose a Topic	Identify a current event or issue relevant to your school or community.
Research	Gather facts, quotes, and background information. Use reliable sources.
Lead	Write a strong opening sentence (the "lead") that summarizes the story's main points.
Inverted Pyramid	Structure your article with the most important information at the top, followed by supporting details.
Quotes	Include direct quotes from interviews to add depth and perspective.
Context	Provide background information that helps readers understand the significance of the story.

Step	Description
Proofread	Edit for clarity, grammar, and spelling.

Newspaper Project Ideas for High School
