What is a civic project?

A civic project is something that helps your community. It can involve:

1. **Helping People:** Volunteering or supporting local needs.
2. **Learning About Laws:** Understanding rules that affect everyone.
3. **Fixing Problems:** Working on ways to improve things in the community.
4. **Being a Good Citizen:** Getting involved and helping out in society.

It's about making your community better for everyone.

Why Civics Matters?

Here are some reasons why civics matters:

- **Understanding Rights:** Helps you know your rights and freedoms.
- **Being Informed:** Keeps you updated on how government works.
- **Making Change:** Teaches you how to take action in your community.
- **Voting:** Prepares you to make informed choices when voting.
- **Problem-Solving:** Helps find solutions to community and national issues.
- **Responsibility:** Encourages active participation in society.
- **Building a Stronger Community:** Helps make your community better for everyone.
